

Periodic Progress Meeting

Part of the marking scheme is to have at least 10 recorded meetings with your supervisor. Please refer to the module specifications. Remember to tick "Send me an email receipt of my responses" at the end of MS Forms page to receive a confirmation email. Please note that you need to forward the "confirmation email" to your supervisor in order to validate this submission.

1.Student Name: George Hanks

2.P-number: P17173176

3.Email address: P17173176@my365.dmu.ac.uk

4.Project Title: Procedural Level Generation and VR

5.Supervisor: Khawla Alhasan

6.Objectives for Period (max 100 words):

- Finalize and submit the project contract, global checklist, and ethical review.
- Begin project management e.g. setup GitHub, create Unity project, and starting project diary.

7.Summary of Progress for Period (max 100 words):

- Start of project was setback due to my supervisor begin changed by the University.
- Project contract was changed to make the project more suitable and more interesting to research.
- We discussed the deliverables for the first deadline in January 2020, primarily the Literature Review.

8.Problem Areas and Suggested Solutions (max 100 words):

- I was unsure about how to complete the literature review and submission of documents, so Khawla is going to send me some example documents.

- My project requires the use of a VR headset, I did not know how to gain access to one from the University, so I sent emails to my personal tutor and course leader.

9.Objectives, Deliverables & Plan for Next Period (max 100 words):

- Begin compiling resources for the project and literature review.
- Begin System Design Documents
- Begin Planning Testing Documents
- Begin Game Design Document/ Functional Requirements
- Complete and submit the periodic meeting form.
