

Periodic Progress Meeting

Part of the marking scheme is to have at least 10 recorded meetings with your supervisor. Please refer to the module specifications. Remember to tick "Send me an email receipt of my responses" at the end of MS Forms page to receive a confirmation email. Please note that you need to forward the "confirmation email" to your supervisor in order to validate this submission.

1.Student Name: George Hanks

2.P-number: P17173176

3.Email address: P17173176@my365.dmu.ac.uk

4.Project Title: Procedural Level Generation and VR

5.Supervisor: Khawla Alhasan

6.Objectives for Period (max 100 words):

- Begin compiling resources for the project and literature review.
- Begin System Design Documents
- Begin Planning Testing Documents
- Begin Game Design Document
- Complete and submit the periodic meeting form.

7.Summary of Progress for Period (max 100 words):

- I have begun collecting resources for the project, including sources for my research and assets for the game.
- I have begun creating the supplementary documents for the project.
- I have acquired a VR headset for the project, so that part of the development can be planned.

8.Problem Areas and Suggested Solutions (max 100 words):

- No real problems arose in this period, steady progress had been made in all areas.

9.Objectives, Deliverables & Plan for Next Period (max 100 words):

- I would like to have a draft of the literature review at the next meeting so we can review it.
- I would like to have enough of the system design document and game design document to complete by the next meeting so we can review it.
- Complete and submit the periodic meeting form.
