Periodic Progress Meeting

Part of the marking scheme is to have at least 10 recorded meetings with your supervisor. Please refer to the module specifications. Remember to tick "Send me an email receipt of my responses" at the end of MS Forms page to receive a confirmation email. Please note that you need to forward the "confirmation email" to your supervisor in order to validate this submission.

1.Student Name: George Hanks

2.P-number: P17173176

3.Email address: P17173176@my365.dmu.ac.uk

4.Project Title: Procedural Level Generation and VR

5.Supervisor: Khawla Alhasan

6.Objectives for Period (max 100 words):

- Have a draft of the literature review complete for review at this meeting
- Have some of the system design documentation complete for review at this meeting
- Complete and submit the periodic meeting form

7.Summary of Progress for Period (max 100 words):

- I was not able to complete a full draft of the literature review, however we review what I had been done so far.
- I was able to complete my system design documentation, I presented UML class diagrams.
- Steady progress is being made on the development side of the project.

8.Problem Areas and Suggested Solutions (max 100 words):

- No real problems arose in this period, except not being able to complete a draft of the literature review, steady progress had been made in most areas.

9.Objectives, Deliverables & Plan for Next Period (max 100 words):

- Complete the draft of the literature review for the final meeting before Christmas

- Complete the function requirements document and start writing the testing plan document
- Complete and submit the periodic meeting form.
